THIRD DAY—*Monday, 6th October 1930.*

The House re-assembled at 12 NOON.

Before the business of the day was taken up, MESSRS. G. CHENNAPPA and B. P. BASAPPA SETTY requested that whenever any questions or resolutions were disallowed, sufficient reasons therefor should also be adduced when intimation of disallowance was communicated to the movers.

THE DEWAN replied that the procedure prescribed in the Regulation and the rules in this behalf would be followed.

QUESTIONS AND ANSWERS.—(*Contd.*)

MESSRS. HAVERI BASAPPA (Harihar Municipality) and B. THIMMAPPA (Harihar Sub-Taluk).—

Q.—10. Will the Government be pleased to state :—

(*a*) Whether they are aware that a ginning factory has been constructed by one Mr. R. T. Govinda Rao on bungalow sites in the Harihar Town Municipality ?

(*b*) Whether it is a fact that Government have ordered its demolition as its existence is detrimental to the public health, etc., of the town, and that in spite of this, the Municipal authorities have permitted the extension of the gin by putting up compound walls, etc. ?

(*c*) If Government have ordered its demolition, whether any steps have been taken to carry out the orders ? Will arrangements be made for the removal of the gin and for creating facilities to improve the health, etc., of the town ?

SECRETARY TO GOVERNMENT, GENERAL DEPARTMENTS.—

A.—10. (*a*) Yes.

(*b*) No.

(*c*) Does not arise in view of reply to (*b*).

Supplementary Question and Answer.

Mr. H. C. Dasappa.—

Is it necessary to obtain a license to start a ginning factory and how long will such license remain in force at a time ?

First Member of Council.—

A license from the Municipality is necessary and may be given once for all.

MR. M. HUTCHE GOWDA (Mudgere Taluk).—

Q.—15. Will the Government be pleased to state:—

(*a*) Since how many years Coffee Cess is being collected?

(*b*) What is the amount that is being so derived every year?

(*c*) What is the amount of grant that is being given by Government every year in addition to that cess for running the Coffee Experimental Farm at Balehonnur?

(*d*) What is the income per year that is being derived out of this Experimental Farm? (The quantity of coffee grown there every year and the rate it fetched may kindly be furnished.)

(*e*) What is the amount of monthly expenditure under different heads on that farm?

(*f*) What are the results of experiments that have been so far conducted there?

(*g*) What are the devices adopted so that the results of such experiments will be brought to the knowledge of the public?

SECRETARY TO GOVERNMENT, DEVELOPMENT DEPARTMENTS.—

A.—15. (*a*) Coffee Cess is being collected since 1925.
